Ian is also available to speak to anyone interested in running the course. **The new course will commence at St Stephen's Church on Thursday 22 September.** Please pray for the leaders and participants.

### **St Mary's Churchgate Street**

Prayer points for St Mary's:

We feel God is going to grow things through our children's work & that he wants to bring restoration. So:

- Children & young people's work to grow & be fruitful (We had twice the numbers at yesterday's Messy Church compared with the previous event).
- Links with schools to continue developing (We are building links with the 6 schools within the parish - please pray for these to be developed further - we go into 2 schools to do assemblies presently and one school came to the church for a 1/2 day pilgrimage)
- In what is a large and rapidly expanding area, for our community links to develop with opportunities for sharing God's love. (Old Town, Gilden Park, Churchgate Street, New Hall)
- For restoration

### **Rainbow Services (Sharon Summerfield)**

[Please see attached sheet.](#)

Main prayer item for Rainbow Services is for a successful lottery bid to secure the future of the service provided by the charity.
